INVUTAEE

Fee Schedule

Utility patent applications

The proposed fee is applicable for preparing illustrations of medium complexity for one utility patent application.

- Minimum fee of USD 200 for 5 drawings or less
- USD 20 to 30 for each drawing over 5 drawings

Fees for preparing complex illustrations will be estimated on a case by case basis.

Design patent applications

The proposed fee is applicable for preparing illustrations of medium complexity for one design patent application.

- Minimum fee of USD 300 for 10 drawings or less
- USD 20 to 30 for each drawing over 10 drawings

Fees for preparing complex illustrations will be estimated on a case by case basis.

Deliverable

Average turnaround time for a project of medium complexity is 5 working days.

Drawings will be provided in one or more of PDF and JPEG formats, based on client's preference.

Payment Terms

- Payment has to be made by wire transfer to our bank account.
- Wire transfer fee (charged by the client's bank) shall be borne by the client.
- 100% of the minimum fee shall be paid to initiate the project, and the rest within 10 calendar days of delivering the first draft of the illustrations.
